6. University Art Museums Australia is an affiliated group of art museum professionals who each have direct responsibility for an Australian university art museum. These museums or galleries:

- Conduct a public program of changing exhibitions in a professional space.
- Produce exhibitions and publications from primary research into visual arts culture and practice, history and innovation.
- Have regular opening hours and are open to the public.
- Are responsible for and/or exhibit a university collection of artworks.
- Are eligible for cultural gifts register status under the federal cultural gifts program.
- Have clearly defined Governance and recognised policies.

Please provide a paragraph describing how you meet these membership criteria (attach additional sheets as required)
